Sub: Implementation of special time table for Class-X students till AHSC Examination, 2024-25.

Madam/Sir,

With reference to the subject cited above, I am to intimate you that under DASAM, initiative a number of activities have been undertaken to enhance performance of Class-X students in A.H.S.C. Examination, 2024-25.

However during my visit to different schools recently, I found that attendance of Class-X students is low in these days. It is presumed that as syllabus has been completed and normal routine is being followed for Class-X students they are not interested to attend the schools.

Hence, it is suggested that a special routine having two periods of 1hr. 30mins.each before recess and other two periods of 1-hr. Each after recess may be followed. Doubt clearing sessions may be organised in the classes on priority basis.

Accordingly, as per the availability of subject teachers in your school for Class-X, a special time table may be prepared and followed till AHSC Examination, 2024-25. This must be intimated to the parents of Class-X students in the P.T.M to be held on dt.11.01.2025 also.

This is for your information and necessary compliance.

Yours faithfully,
